## Easter Island & Chile Adventure & Meditation Tour

*Dr. Sue invites you to immerse yourself in a retreat unlike any other. Say "Yes" to yourself. Your heart will thank you!*

Join Dr. Sue for an amazing 10-day/9-night adventure and meditation retreat exploring the mysteries of Easter Island and natural wonders of Chile.

Gather with like-minded people to venture thousands of miles off the coast of Chile to Easter Island, one of the most remote places on Earth. Here we discover the mystery of sacred artifacts and the towering stone Moai left behind by the ancient Rapa Nui civilization.

Coupled with visits to ancient historical sites and other awe-inspiring natural treasures of mainland Chile, we'll explore the great wonders of our mother earth as we hike the Moon Valley of the Atacama desert, bathe in the steaming waters of the Puritama Hot Springs and much more.

## DAY 3 – OCTOBER 25, 2018 EASTER ISLAND

- Sunrise Yoga with Dr. Sue.
- Full-day tour of Rano Raraku: Vahiu, Anakena and Ahu Tongariki.
- The excursion starts in Hanga Roa. Taking the road along the coast, we head toward the ruins of the temple of Vahiu, which is still today as it has been after centuries of neglect. The red hats of the Moais which were thrown into the sea can clearly be seen. Continue to the site of Akahanga, where several of the statues are face down, as they were abandoned while being transported. Then on to the volcano of Rano Raraku and the “factories” where the Moais were carved from the rock. Here, there are more than 300 statues in different stages of production.

A walk around the crater reveals a small lagoon and more Moais in the center. Continue to Ahu Tongariki (destroyed by a large tidal wave in 1960), which has been recently restored and which houses the largest number of Moais. Finally, see the beautiful Anakena beach with two temple platforms or Ahus. Following a picnic lunch, there will be time to swim in the Pacific Ocean or explore the surrounding countryside. Return to Hanga Roa in the afternoon, and transfer back to the hotel. Coursework with Dr. Sue following dinner.  
**Hotel O’Tai (B, L, D)**

## DAY 4 – OCTOBER 26, 2018 EASTER ISLAND

- Sunrise Yoga with Dr. Sue.
- Half-day excursion to Orongo: Rano Kau and Vinapu.
- Depart for a visit to Ahu Vinapu which is made up of two ruined Ahus, one of which has stonework remarkably similar to that found in Inca sites. Studies have backed up the theory that the first inhabitants of the island came from the South American continent. The journey continues along the coastal road toward the Rano Kau volcano. Next to the crater is the ancient ceremonial site of Orongo, featuring many petroglyphs. There are images of the “bird man” Tangata Manu, the god creator Make Make and the fertility symbols Komari. From the edge of the crater, you can see the three small islands of Motu Iti, Motu Nui and Moto Kao Kao, which play an important part in the bird man legends. After lunch, you will have leisure time to explore Hanga Roa and the Museum of Sebastian Englert. It is recommended paying a visit to the local church with its extraordinary wood carvings. Coursework with Dr. Sue following dinner.  
**Hotel O’Tai (B, L, D)**

## DAY 5 – OCTOBER 27, 2018 EASTER ISLAND - SANTIAGO

- Sunrise yoga with Dr. Sue followed by breakfast and coursework before transferring to Mataverí Airport for our connecting flight back to Santiago. Coursework with Dr. Sue following dinner.

## DAY 6 – OCTOBER 28, 2018 SANTIAGO – ATACAMA

- Santiago – San Pedro de Atacama-Moon Valley. Transfer to the airport to take the flight to Calama, the gateway to the Atacama desert, and transfer to the town of San Pedro de Atacama. We will take an afternoon tour of Moon Valley, which will take us through the Salt Mountain Range, visiting the Valley of Mars (also known as Death Valley) and the Three Marias, natural rock formations in the desert. We complete our afternoon by climbing a large sand dune in the Moon Valley, from which we will watch the sunset over the Andes. Evening return to San Pedro de Atacama. Coursework with Dr. Sue following dinner.

Hotel Altiplanico San Pedro (B, L, D)

## DAY 7 – OCTOBER 29, 2018 ATACAMA - TULOR, QUITOR, ALTACAMA SALT LAKE AND TOCONAO

- Sunrise Yoga with Dr. Sue.
- Morning half-day archeological tour to Tulo and Quito to visit the Padre Gustavo Le Paige Museum, which has an important anthropological collection of the Atacameño culture. Then continue to the indigenous Fortress of Quito where the first shepherds of this civilization lived. Continue on to one of the "ayllus" or settlements which reflect the social system and communal aspects of this subsistence society and the ruins of Tulo, which is composed of a series of round rooms connected to each other and with communal patios. Today, this site is covered partly by the sands of the desert and represents an archeological enigma.

- After lunch, we will take a half-day excursion to the Atacama Salt Lake and Toconao. Upon leaving San Pedro de Atacama, we head along the side of the huge salt flat and continue to Toconao, a village where the inhabitants dedicate themselves to the working of the local liparite stone. We will visit the old church and wander around the handicraft shops before going to the Jeri Valley, an oasis in the center of the desert. Continue to the Chaxa Lagoon, where three types of pink flamingoes breed. Coursework with Dr. Sue following dinner.

We will visit the cascading pools of Puritama Hot Springs hidden in a mountain canyon surrounded by pampa grass and you can bathe in the warm waters of the hot springs (changing rooms and bathrooms available) before we return to San Pedro where we will have our Farewell Dinner.
